RESPONDENT GENERAL CIGAR CO., INC.'S NOTICE OF RELIANCE

Respondent General Cigar Co., Inc. ("Respondent" or "General Cigar") hereby notifies the U.S. Trademark Trial and Appeal Board and Petitioner *Empresa Cubana del Tabaco dba Cubatabaco* ("Petitioner" or "Cubatabaco"), that Respondent intends to rely on the documents and testimony listed herein, true and accurate copies of which are filed herewith, pursuant to 37 C.F.R. §§ 2.122 & 2.120(k), in the trial of the above-captioned matter, and any additional trial testimony to be taken and filed in this matter. To the extent, if any, not otherwise admissible, the documents introduced by this Notice of Reliance are admissible pursuant to the Stipulation dated January 6, 2016 (89 TTABVUE) and approved by Board Order dated April 1, 2016 (91 TTABVUE) ("First Trial Stipulation"), the Stipulation dated July 6, 2018 (132 TTABVUE) and approved by Board Order dated September 12, 2018 (135 TTABVUE) ("Second Trial

Stipulation”), and the Stipulation dated September 26, 2018 (137 TTABVUE) and approved by Board Order dated September 29, 2018 (138 TTABVUE) (“Third Trial Stipulation”).

1. Petitioner’s written discovery responses, namely:
 - Second Responses to Respondent’s First Set of Interrogatories, dated December 20, 2016 (**Exhibit 1**);
 - Third Responses to Respondent’s First Set of Interrogatories, dated October 5, 2017 (**Exhibit 2**);
 - Responses and Objections to Respondent’s First Set of Requests for Admission, dated February 28, 2018 (**Exhibit 3**);

 - Seventh Responses to Respondent’s First Set of Interrogatories, dated August 28, 2018 (**Exhibit 7**).

These discovery responses are relevant to Respondent’s defenses, including the First Defense (preclusion/estoppel), Eighth Defense (abandonment), and Ninth Defense (laches, acquiescence, waiver, estoppel), and the Sixth Ground for Cancellation of the Amended Petition, alleging likelihood of confusion arising from the U.S. trademark registrations for COHIBA, specifically, *du Pont* factors 1 (similarity of the marks) (“Factor 1”); 2 (similarity of the goods) (“Factor 2”); 3 (similarity of established trade channels) (“Factor 3”); 4 (conditions

under which, and buyers to whom, sales are made) (“Factor 4”); 5 (fame) (“Factor 5”); 6 (number and nature of similar marks in use on similar goods) (“Factor 6”); 7 (nature and extent of actual confusion) (“Factor 7”); 8 (length of time during, and conditions under which, there has been concurrent use without evidence of actual confusion) (“Factor 8”); 9 (variety of goods on which a mark is used) (“Factor 9”); 10 (market interface between registrant and petitioner) (“Factor 10”); 11 (extent to which registrant has a right to exclude) (“Factor 11”); 12 (extent of potential confusion) (“Factor 12”); and 13 (effect of use) (“Factor 13”).

2. Copies of publicly available printed publications, namely, catalogues, magazines, and a book:

- Holt’s Cigar Company, October 2019 (**Exhibit 8**);
- JR Cigar, October 2019 (**Exhibit 9**);
- Cigar International, September 2019 (**Exhibit 10**);

- *Cigar Aficionado*, December 2019 (**Exhibit 30**); and
- *Cigars: A Guide*, by Nicholas Foulkes (**Exhibit 31**).

These documents are relevant to Petitioner's Claims, including the Sixth Ground for Cancellation of the Amended Petition and in particular the following *du Pont* factors: Factors 2, 3, 4, 5, 6, 7, 8, 11, 12, and 13, and show that U.S. actual and potential consumers of cigars associate cigars as a product class with Cuba, regardless of where the cigars originate from.

3. Copies of publicly available printed publications, namely:

- *2019 Retailer Survey: The Best-selling Cigar Brands In America, Market Trends and More*, *Cigar Aficionado*, by David Clough, dated July 11, 2019 (available at <https://www.cigaraficionado.com/article/2019-retailer-survey-the-best-selling-cigar-brands-in-america-market-trends-and-more>; accessed September 24, 2020) (**Exhibit 32**);
- *The Difference Between a Cuban Cohiba Cigar and Dominican Cohiba Cigar*, JR Cigar, dated July 11, 2018 (available at <https://www.jrcigars.com/blending->

room/cuban-cigars/brands/cuban-cohiba-review/; accessed September 24, 2020) (**Exhibit 33**);

- *Cohiba V. Cohiba*, Cigar Aficionado, by Gregory Mottola, dated December 27, 2016 (available at <https://www.cigaraficionado.com/article/cohiba-v-cohiba-19142>; accessed September 24, 2020) (**Exhibit 34**); and
- *Cohiba vs. Cohiba—General Wins Another Round*, Cigar Aficionado, by Gregory Mottola, dated March 28, 2013 (available at <https://www.cigaraficionado.com/article/cohiba-vs-cohiba-general-wins-another-round-16998>; accessed September 25, 2020) (**Exhibit 35**).

These documents are relevant to Petitioner's Claims, including the Sixth Ground for Cancellation of the Amended Petition and in particular the following *du Pont* factors: Factors 2, 3, 4, 5, 6, 7, 8, 11, 12, and 13, and show that U.S. actual and potential consumers of cigars are not confused by General Cigar's use of its COHIBA marks and can and do distinguish between Respondent's COHIBA cigars and Petitioner's Cuban "Cohiba" cigar.

4. Copy of publicly available printed publication, *The Difference Between a Cuban Partagas Cigar and Dominican Partagas Cigar*, JR Cigar, dated March 4, 2019 (available at <https://www.jrcigars.com/blending-room/cuban-cigars/brands/the-difference-between-a-cuban-partagas-cigar-and-dominican-partagas-cigar/>; accessed September 24, 2020) (**Exhibit 36**).

These documents are relevant to Petitioner's claims, including the Sixth Ground for Cancellation of the Amended Petition and in particular the following *du Pont* factors: Factors 2, 3, 4, 5, 6, 7, 8, 11, 12, and 13, and show that U.S. actual and potential consumers of cigars are not confused by General Cigar's use of its COHIBA marks and distinguish between Respondent's COHIBA cigars and Petitioner's Cuban "Cohiba" cigar.

5. Copy of publicly available printed publication, *Inside Cuban Cigars: Cigar Aficionado interviews Cubatabaco's top official, Francisco Padron*, dated Spring 1994 (**Exhibit 37**), which is an interview between the magazine's editor and publisher, Marvin Shanken, and Mr. Padron, then-director of Cubatabaco. This article is also admissible as DX 73.1 in the Federal Action pursuant to the parties' Stipulations in this Proceeding. This article is relevant for, among other reasons, Mr. Padron's statement that: "We are not going to fight with somebody else because he owns the brand name of Cohiba or Montecristo in America. We have been living without that for a long time." A copy is also available at <https://www.cigarafictionado.com/article/inside-cuban-cigars-a-talk-with-cubatabaco-head-francisco-padron-6130>; accessed September 24, 2020 (**Exhibit 38**). This document is relevant to Respondent's Seventh Defense (statute of limitations) and Ninth Defense (laches/acquiescence/waiver/estoppel), and to show that Cubatabaco was long aware of General Cigar's registration and use of its COHIBA marks in the U.S. and deliberately delayed in filing its initial petition to cancel.

6. The Opinion and Order of the United States District Court for the Southern District of New York, *Empresa Cubana Del Tabaco, d.b.a. Cubatabaco v. Culbro Corp. and General Cigar Co., Inc.*, 213 F. Supp. 2d 247 (S.D.N.Y. 2002) (**Exhibit 39**), which is relevant here because it dismissed on the merits Cubatabaco's claims under the General Inter-American Convention for Trade Mark and Commercial Protection (IAC) and International Convention for the Protection of Industrial Property (Paris Convention), which are identical to the Fifth, Seventh, and Ninth Grounds for Cancellation. This portion of the district court decision was affirmed on the merits by the United States Court of Appeals for the Second Circuit, without reliance on Petitioner's Cuban nationality or U.S. embargo regulations regarding Cuba

(Empresa Cubana Del Tabaco, d.b.a. Cubatabaco v. Culbro Corp. and General Cigar Co., Inc., 399 F.3d 462 (2d Cir. 2005)), and review of the dismissal of these claims was denied by the United States Supreme Court. Petitioner is therefore barred from relitigating these claims. The decisions are relevant to the Fifth, Seventh, and Ninth Grounds for Cancellation, and the Second and Ninth Defenses. To the extent not otherwise admissible, Respondent requests that the Board take judicial notice of this decision pursuant to Fed. R. Evid. 201.

7. Copy of a letter from the International Premium Cigar and Pipe Retailers Association (“IPCPR”) (now known as the Premium Cigar Association), to the United States Food and Drug Administration, dated July 17, 2019, regarding a comment submission on Docket No. FDA-2016-N-3818L “Content and Format of Substantial Equivalence Reports; Food and Drug Administration Actions on Substantial Equivalence Reports” (**Exhibit 40**). This document is available for download at <https://beta.regulations.gov/comment/FDA-2016-N-3818-0171>; accessed September 24, 2020. This document is relevant to the Sixth Ground for Cancellation and to *du Pont* Factors 3, 4, 7, 8, 11, 12 and 13, among others, to establish that there are more than 2,500 retail cigar stores operating in the U.S., and to rebut the significance of evidence submitted by Petitioner of alleged inspector visits to cigar stores.

8. A true copy of recent regulation changes made by the United States Department of the Treasury, Office of Foreign Assets Control, published at 85 Fed. Reg. 60068-60072 (Sept. 24, 2020), effective immediately, under which all importation of Cuban cigars into the U.S., including for a traveler’s personal use, has been prohibited (**Exhibit 41**), and an accompanying press release issued by the Department of the Treasury explaining the scope of the regulatory changes (available at <https://home.treasury.gov/news/press-releases/sm1134>; accessed September 24, 2020) (**Exhibit 42**). To the extent not otherwise admissible,

Respondent requests that the Board take judicial notice of this decision pursuant to Fed. R. Evid. 201. These documents are relevant to the Sixth Ground for Cancellation, and to *du Pont* Factors 3, 4, 11, 12, and 13, among others.

9. Printout from the Cuban Statistics Office website of the “Anuario Estadístico de Cuba 2019” (Statistical Yearbook of Cuba 2019), available at http://www.onei.gob.cu/sites/default/files/15_turismo_2019.pdf; accessed September 24, 2020, (**Exhibit 43**), specifically Table 15.6, which shows number of U.S. tourists visiting Cuba from 2014 through 2019. This document is relevant to the Sixth Ground for Cancellation and to *du Pont* Factors 3, 4, 5, 7, 8, 10, 12, and 13.

10. Printout from the Cuban Statistics Office website, http://www.onei.gob.cu/sites/default/files/turismo_internacional._indicadores_seleccionados-_completa_enero-marzo2020-1.pdf, dated January-March 2020; accessed September 24, 2020 (**Exhibit 44**), which, at Tables 2 and 3, show number of U.S. tourists visiting Cuba from January through March 2020. This document is relevant to the Sixth Ground for Cancellation and to *du Pont* Factors 3, 4, 5, 7, 8, 10, 12, and 13.

11. Copy of publicly available printed publication, *Tourism to Cuba Plunges after Trump’s tightening of travel ban: data*, Reuters, by Reuters Staff, dated August 21, 2019 (available at <https://www.reuters.com/article/us-cuba-tourism/tourism-to-cuba-plunges-after-trumps-tightening-of-travel-ban-data-idUSKCN1VB22C>; accessed September 24, 2020) (**Exhibit 45**). This document is relevant to the Sixth Ground for Cancellation and to *du Pont* Factors 3, 4, 5, 7, 8, 10, 12, and 13.

12. Pursuant to the Parties’ Second Trial Stipulation (132 TTABVUE 5, ¶ 6.b.), downloads from Respondent’s website <cohiba.com>, identified by Bates numbers

GENC0038000-GENC0038055 (**Exhibit 46**). These documents are relevant for depicting how the Respondent's cigars are promoted to the public on the Internet, including websites and social media, and are relevant to the Sixth Ground for Cancellation and to *du Pont* Factors 1 through 13.

13. Richard Carleton Hacker, *The Ultimate Cigar Book*, 4th ed. (2015) (pp. 27-29, 43, & 127-28) (**Exhibit 47**). This document is relevant to the Sixth Ground for Cancellation and to *du Pont* Factors 1, 3, 4, 5, 7, 8, 10, 12, and 13.

Cabinet Selection

Pleasure Beyond Expectation

Ashton Cabinet Selection is a luxurious cigar that has garnered worldwide acclaim for marvelous flavor and exceptional quality. A breathtaking, chestnut-colored Connecticut Shade wrapper coddles a monumental medley of extra creamy four and five-year-old Dominican tobaccos. These wrappers glisten with an awe-inspiring, oily smoothness. Handmade in the Dominican Republic by the most accomplished rollers in the Fuente factory, these cigars are an example of true artisan craftsmanship.

The strength is mild to medium-bodied while the flavor profile is regal and refined, boasting a smooth, creamy richness with a subtle vanilla-like sweetness. Carlito Fuente blended this cigar and he says: "I love the Ashton Cabinet. This is a blend I created with the goal in mind of balance and richness. Not strength, but richness. You know, the type of cigar that fills your nose and mouth with an incredible mix of flavors and zero harshness." You may not believe our praises, but Carlito's praises are as good as gold. Ashton Cabinet Selection is truly a cigar for the ages; a timeless classic.

Escape to Paradise

The San Cristobal brand is blended by legendary cigar-maker Pepin Garcia in Estelí, Nicaragua from the finest, premium aged tobaccos in an exquisite variety of balanced and versatile recipes.

San Cristobal Ovation is crafted from a dark and decadent San Andrés Oscuro wrapper over an ultra-rare, full-bodied blend of Nicaraguan binder and filler tobaccos. Succulent notes of dark cocoa, hickory, and leather deliver mouthwatering potency in three classically balanced sizes.

San Cristobal Revelation impresses with a rich, cocoa-hued Ecuador Sumatra wrapper and a medium-bodied amalgam of aged Nicaraguan long-fillers. Creamy notes of cedar, caramel, and almonds accompany approachable spices and a luscious, irresistible aroma.

San Cristobal Elegancia is a marvelous introduction to Nicaraguan tobaccos for cigar lovers traditionally accustomed to a milder blend. A golden, silky Ecuador Connecticut wrapper embraces a nutty core of long-filler tobaccos with flavors of white pepper, walnuts, and cocoa.

San Cristobal delivers an exquisite full-bodied profile of all-Nicaraguan tobaccos. A lustrous Oscuro wrapper embraces a combination of aged long-fillers with a blend of espresso, dark chocolate, and black cherry notes from beginning to end.

Cain cigars are known for their bold full-bodied profiles. Indulge in a peppery and sweet intensity in Habano and Maduro wrapper options.

Cain F is a bolder and more full-flavored blend with powerful notes of cedar, leather, and spices that lead to a potent finish.

Cain Daytona is drafted from a blend of premium long-fillers with a Nicaraguan wrapper that displays hints of earth, cream, and nuts.

Cain Connecticut CT shows off the smoother side of Cain with a golden-blond Ecuador Connecticut wrapper and a nutty profile of white pepper, cashews, and cedar.

You pick up the phone, dial the Holt's Liquation Hotline and take your bailout check to the bank. Due to our close relationship, Holt's always gets first dibs on Rocky's finest closeouts. Don Lino

**STARTING AT
99¢
PER CIGAR**

The Don of Discounts!

Don Lino emerged at the height of the Cigar Boom of the 1990s. After a brief stint of relevance, this brand fizzled out like a three-day-old glass of seltzer.

For the next 20 years, Don Lino was marooned on an island in the middle of nowhere. With zero sales and zero consumer interest, Don Lino was just another Don Nobody. Nowadays, Don Lino has miraculously resurfaced as a notable value brand. A fan-favorite among Value Hounds and Closeout Canaries, these boomsticks offer decent flavor, respectable quality and bargain-basement prices. The bottom line here is this: Don Lino is all about **DEEP DISCOUNTS**. If you're paying more than \$3.50 for any Don Lino, you're absolutely paying too much. Here at Holt's, our deals on Don Lino are downright concussing. Save up to a soul-crushing, wood-splintering **80% off MSRP**, as low as **99-cents per cigar!**

Welcome to the dark side of Corojo. We take this vintage Cuban leaf and age it. And age it. Until its color turns black and its flavor turns earthy and rich. With pungent wood and sweet tobacco, this is a bold and balanced smoke.

CAMACHO COROJO MADURO

Crafted with the lush leaf from real-deal Cuban Corojo seeds, this complex Camacho line offers a compelling combination of zesty spice and a cool burn for a smoke that is as bold as it is balanced. Featuring woody, earthy elements accented with nutty nuances and cocoa characteristics, this solid cigar is loaded with deep, dark layers to savor with every surprisingly easygoing yet energizing puff.

JR Ultimate by Rocky Patel cigars are the first collaboration between our legendary JR Ultimate brand, a fan favorite for over 35 years, and world-famous cigar maker Rocky Patel. Handmade in Honduras, the cigars feature premium Honduran and Nicaraguan fillers that are smuggled inside a Honduran binder, and covered by your choice of a golden-brown Ecuador Connecticut, or a darker Cuban-seed Habano wrapper. The Connecticut style is a surprisingly hearty smoke with rich flavors of pepper, wood, dark roast coffee, and caramel, while the slightly bolder Habano wrapped selection offers top notes of heavy cream, backed by zesty spice, leather, and espresso. Whichever blend that you choose, you'll enjoy JR Ultimate smoking satisfaction, enhanced with Rocky Patel's magical touch.
